(see Article 12.4 of the General Terms and Conditions of AED)

As mentioned in Article 12.4 of the General Terms and Conditions of AED, the Lessee will insure the rented goods against damage and loss (including theft). However, if the Lessee does not take out appropriate insurance (or fails to demonstrate this to the Lessor), or in case the Lessee requests the Lessor to do so, the Lessor or any of its affiliates will take out insurance to cover the risks of accidental damage to, loss or theft of the rented goods, subject to the terms and conditions set out below:

2. **Waiver** - Provided that the Lessee pays the surcharge referred to in Article 1 above, the Lessor or any of its affiliates will take out insurance to cover the risks of accidental damage to, loss or theft of the rented goods. To the extent damage to, loss or theft of the rented goods is covered by the insurance taken out by the Lessor or its affiliates (in particular taking into account the limitations and exclusions and additional obligations set out below), the Lessor will waive its claim for compensation from the Lessee for such damage, loss or theft.
3. **Limitations and Exclusions** - The Lessee acknowledges that it will remain liable to compensate the Lessor for the amount of damages up to EUR 2,500 per damage event that is irrecoverable under the insurance taken out by the Lessor or its affiliates as the "franchise"/"deductible" is EUR 2,500 per damage event. The Lessee also acknowledges that the insurance taken out by the Lessor or its affiliates does not cover damage events occurring in, or during transport from or to, the following countries:

In addition, the Lessee acknowledges that the insurance taken out by the Lessor or its affiliates does not cover damage, loss or theft in the following circumstances:

- theft of consumables Goods
- theft from a vehicle where the rented goods were left visible and unattended
- theft of rented goods left unattended in a vehicle at any time between 8pm and 6am, unless this vehicle had been stored in a secured building

The Lessee must notify the Lessor within forty eight (48) hours of the theft and remit the theft report promptly to the Lessor. Failure to comply with this provision could lead to withdrawal of cover under the insurance taken out by the Lessor or its affiliates.
 5. **No waiver in case of negligence or breach of contract** - The waiver referred to under Article 2 above shall not apply in cases where the damage or loss was caused by the Lessee's negligence, or breach of the agreement with the Lessor, including but not limited to Lessee's obligations as set out in Articles 12.3 and 12.10 and/or the Lessee's warranties as set out in Articles 8.2 and 8.3 of the Lessor's General Terms and Conditions of Sale.

The sole purpose of this document is to clarify that the Lessor or its affiliates may in certain circumstances take out insurance to cover goods that are their property and to describe the consequences thereof on Lessee's liability for damage events covered by such insurance.
 8. **Future rental agreements** - The Lessee agrees that if the Lessor or any of its affiliates take out insurance in relation to one or more rental agreements with the Lessee, the Lessor or its affiliates will also take out insurance in relation to any future rental agreements with the Lessee subject to the Special Conditions set out in this document (as amended from time to time), unless the Lessee informs the Lessor of its decision to take out appropriate insurance itself prior to entering into a new rental agreement.
